Subject: SEMS Quarterly State Reports for Montana
Attachments: LIST-008I Action Listing.pdf; LIST-008I Action Listing.xlsx

Flag: Follow up

Attached are the SEMS quarterly reports for the State of Montana. This distribution includes an action listing report in PDF format. Since some of the information contained in these reports is considered pre-decisional and/or enforcement sensitive, these reports must be kept confidential. The active and archived reports have been combined due to an error with the report that prevents the sites from being separated. If you have any questions, please let me know. Thank you.
